

ELEPHANT
Gypsum Board

4 TAPERED Edges STANDARD SYAMIA

Standard 4-Tapered Edges Board

ELEPHANT SYNIA Standard

SYNIA Standard is a 4-tapered edges gypsum board suitable for creating a seamless and attractive smooth ceiling.

SYNIA Standard comes with special edges that are sloped at its ends, providing a sloped edge after screwing in, which is convenient for jointing and plastering.

Special Features

- Lighter than general gypsum boards.
- Easier and more efficient to install.
- Provides an attractive and seamless look even in critical lighting condition.
- Strong, durable, non-sagging and long lasting.
- Seamless, easy to cut, provides a smooth incision.
- Perfect for screwing in.
- Easy to plaster due to its sloped edges around the board.
- Thailand Industrial Standard (TIS) certified.
