Size (cm.) | Weight (kg./pc.)
5 x 300 x 2.5 | 5.7

WARNING • Never use as a structure for buildings, support, or other purposes. SCG Smartwood must be installed in compliance with the installation manual, and only standardized equipment from the manufacturer can be used. • Never ingest or swallow. Furthermore, the dust created from cutting, grinding, drilling or injecting the product should not be inhaled. • Do not use in areas that are wet or moist at all times. • Do not use for flooring raised more than 50 cm or more from the ground.

CAUTION • SCG Smartwood products have been designed with directions for use as suitable for usage conditions in Thailand only. Use outside Thailand is considered a direct responsibility of the construction designer, controller and installer. • SCG Smartwood products contain chemical substance and cannot be swallowed, ingested or come into contact with the eyes. • While working, use standardized personal safety equipment; tightly close containers after work and keep away from the hands of children. • If any skin irritation occurs with contact, hurry to rinse with water many times and see a doctor without delay. • If swallowed or ingested, do not induce vomiting. Drink plenty of clean water in order to dilute the chemical and see a doctor without delay. • Specifications for installation are only preliminary suggestions for general usage. The installation methods and structures used should be considered in line with ETI Standard 1015-40 for Steel structures and the relevant local codes and standards. • The installation manual is subject to change. Construction designers, controllers and installers should refer to the terms of the Act of 1999. • Using the products outside of the usage specified in this document is considered a direct responsibility of the construction designer and controller. • The installation manual is subject to change. Construction designers, controllers and installers must check to determine whether the installation manual in their possession is the most recent edition. If there is any doubt, the edition can be checked at www.scgbuildingmaterials.com.
