What we do and how we help?

SIAM SIGNATURE

Supporting two customer segments through sourcing, export readiness, and end-to-end market access solutions.

Connecting Global Buyers with Asia's Trusted Producers

We connect international buyers with certified food and beverage producers and top Thai food exporters across the region. Through our established network, you can access quality products, streamline procurement, and ensure consistent quality.

Source with Confidence
from verified, certified factories.

Consolidate Multiple Suppliers
under one trusted partner.

Ensure Full Transparency
across every step of your supply chain.

Deliver Consistent Quality
with the support of SCG International's resilient logistics network.

Take Your Brand from Local Shelves to Global Markets

We help brands expand beyond their home markets with export-ready solutions, from compliance and packaging to international distribution and retail partnerships. Wherever your business is based, we make your global growth seamless and reliable.

Expand Confidently
with complete certifications, packaging, and labeling.

Gain Regional Insights
to grow sustainably in your target markets.

Simplify Logistics
through end-to-end coordination under one partner.

Navigate Compliance
with support from verified, certified factories.

End-to-End Expertise
From sourcing to delivery,
we've got you covered.

Quality You Can Count On
We work with certified producers
who meet international standards.

Built for Your Growth
Solutions that help your business
grow stronger, faster, globally.

REAL TASTE.
PURE GOODNESS.
PLANT-BASED.

137 Degrees is a Thai plant-based beverage brand focused on premium nut milks, including almond, walnut and pistachio milk. The brand's portfolio highlights modern wellness consumption, convenient pack sizes and flavour variety for both retail shelves and food-service use. For international buyers, it offers a clear plant-based proposition with products that are easy to position in health-conscious and dairy-alternative categories.

RAI MAI JON

Rai Mai Jon is a Thai sugarcane juice brand from Ratchaburi, operated by Numaoy Raimaijon Co., Ltd. The company presents itself as Thailand’s first pasteurized sugarcane juice company, offering pasteurized sugarcane juice and related products. Its story is useful for international buyers seeking a natural Thai agricultural beverage with strong local sourcing character.

Premium Thai Honey Selection

Thai Richy Honey is a Thai honey brand that presents itself as a local honey producer and exporter. Its brand story centers on genuine Thai honey, bee farm standards and certifications such as GAP, natural certification and Halal support. For buyers, it offers a strong agricultural-product story for natural sweetener, gifting and wellness-oriented retail shelves.

Doi Kham's honey products extend the brand's agricultural mission into natural sweeteners. Rooted in the Royal Project and Royal Factory system, Doi Kham transforms Thai agricultural outputs into value-added food products while supporting farmer livelihoods. For buyers, Doi Kham Honey carries the same heritage, trust and social-impact story as the wider Doi Kham portfolio.
